

March 2011 President's Message – Bruce King

The Beach cleanup at Swami's was a real success, the gods were smiling on us stormy days before but on Sunday the weather was perfect. I would say one of the most beautiful days we have had so far this year. Everybody pitched in to make it a success, I would like to thank everybody who attended and helped Helmut for the BBQ and John Reinhardt for cooking Marcelo for getting the grub and Sean Tully and his wife for donating the Cliff Energy Bars. Sean and his family by the way are perspective members.

Thank you all the city was very appreciative and hauled the trash away. By my estimate the beach has 90lbs less trash because of your efforts. This has been a touch winter for waves, not to many, few and far between and we have only about 4 descent swells at that. Well we still have 3 week or so of winter to go but I think we are due for some spring north swells this year, which would be nice. One thing is the truth there is nothing that can quite match winter in San Diego. Shoot thinking about that I have to get in the water myself before I shrivel up and blow away.

The club needs a rooster of all its members to be share with everyone, please contact Roger Collins or any one on the board so you may give him the information. Please help out Roger.

There is a real good event coming up with Big Stick Surfing Association. And Swami's is invited. The Big Stick Log Jam at Pleasure Point April 16 & 17 in Santa Cruz with pre-1970 boards and no leash, Big Fun. Information sheet will be at the meeting for your perusal. Contact Tom English @ 760-231-4133 or Bruce King 760-945-8234. This is a really great Event everyone surfs twice the first day. I would like to thank the BSSA for the Invitation, hurry this fills up quick. I will see you there.

At the urging of Mr. Bruce St Gean we are having an anti contest surf event @ Swami's with offerings from VG's. and the club grill masters March 20 from 9-12. A Spring celebration, meet and greet on the grass and the beach.

One last thing before I go I would like to thank Leroy Grannis for all he has done for the surfing world by preserving in on film in such a special way that only he could. May the Great Spirit bless him and all who keep his sprit alive.

Shacked forever in his arms. WE WILL MISS U GRANNY.

Bring you and your ideas and you to the meeting Tuesday at 7:00 Yogis . See you there !
