

## October 2011 President's Message – Bruce King

September, 2011 will be remembered for having one of the largest and latest south swells in many, many years. Yeah, it was a little closed out, and yeah, some boards were broken, but it was BIG! Talking to SSA members, it appears that Larry Graff caught it all four days (Thursday through Sunday). He'll tell you all about it at the meeting.

Speaking of meeting, it's Tuesday, October 11th, at Yogi's, at 7:00PM. We'll hear about several activities during September, including the Blind Surf (thanks, guys, for a great turnout and a lot of good work!), and the City of Encinitas 25th Anniversary Celebration (thanks Sean, for the cool Dodge surfin' safari van, and Roger and Bruce for a cool setup). I hear we'll have a video of the Blind Surf, and slide show of the Anniversary Celebration. Thanks to John Reinhardt and Mike Chase for their great work on the Senior Olympics - we'll hear more about that on Tuesday, as well.

There's a lot going on this month! We've got a special speaker coming to talk about preparation for big winter surf. We'll be having our Fall Classic Old Board Surf this month. So, I'll see you at the meeting for good food, good friends, and lots of surf talk. See you there!
