### Monthly Letter from Gary Baum, Pres

Torrential rains in October?!? In case you have been in a closet, (not that there is anything wrong with that) or Hawaii, October gave us the most rain on record. Of course it also gave us polluted water, but as usual, no waves to make it a concern. Remember, after a rain storm, stay out of the ocean for at least one day, even though 72 hours is recommended. Take it from me, sinus infections are not fun.

Our last meeting of the year is Tuesday, November 9th. We will be nominating new board members, so we need everyone that is a DUES PAYING MEMBER to show up and cast your nominations. As of today, only 35 members out of over 90 have paid their DUES, and they will be the only members that will receive ballots in the mail. So if you haven't paid your DUES, get yourself to the next meeting and bring your checkbook. You are really helping keep our club viable by paying your DUES!

Our Christmas party is officially set for Friday, December 10th, at the Elks Lodge in Encinitas. A band will be there, the general public is invited, and the house will be a-rockin. Awards will be given out for those members that contributed their time, effort and surfing skills during the past year. And oh yeah, I just want to say thank-you to everyone that helped me the past two years running the Club. I could not have done it without the board, past and present members included. See y'all at the next meeting. Gary Baum, prez
